

**FIRE AND BURGLARY
GUN SAFE
LIMITED WARRANTY**

Hollon Safe Co. will repair or replace (at Hollon Safe Co option) free of charge any Hollon Safe Co manufactured Gun Safe produced after January 1, 2009 that is damaged during an attempted break-in, a successful break-in or by a fire during the lifetime of the original consumer purchaser provided the purchaser's homeowners insurance does not cover the claim. The Gun Safe must be returned to the factory along with a report by the investigating police or fire department, documentation from the purchaser/policyholder's insurance company stating that the claim is not covered, and proof of purchase. For safes in the continental United States, Hollon Safe Co will arrange for and cover the shipping costs both to and from the factory and any locksmith costs necessary to open the safe. A comparable new Gun Safe or the repaired Gun Safe will be returned to the owner (curbside delivery).

IMPORTANT: This offer specifically excludes the contents of the safe. It also excludes damage to the safe due to acts of God, terrorism and war, and applies only to home/residential, non-commercial use of the safe. This offer does not apply to Vault and Security Doors.
